Dear Mr. Steiner,

Thankyou for all your hard work and dedication. I really appreciate all you have done and for bringing Turn 2 to Camp Sussex. I am having a great time here at camp and I have you to thank.

I heard you were once a camper. I wonder what you thought of camp. Did you have as much fun as I am having? This is a great camp and I hope many other kids are fortunate enough to come.

A very delighted camper,
Jan Kunze
